Dear Parent/Carer

### Parents' Evening Review

Last week marked the last of the virtual parents' evening events held this academic year. Over the past few years Taverham High School has moved to an online virtual platform for these meetings to comply with Covid restrictions but still providing direct feedback on your child.

Moving forward we wish to get some feedback on whether parents continue to find this system a more convenient method of communication or whether parents would like a return to face-to-face events on site from the next academic year.

We are aware there are advantages and disadvantages of both approaches but would appreciate if you would indicate your preference using the form below:

Please complete the form by 3 pm on Wednesday 13 July as after that point it will close.

Your feedback will be very useful in deciding on the best system for 2022-23. Our thanks for taking the time to complete the form.

Yours faithfully

Mr J Linnell  
Head of Sixth Form
