Dear Parent/Carer

RAG Sixth Form Fundraising: Monday 14 March 2022 – Friday 18 March 2022

Each year sixth form students choose a charity to support, to which they donate the proceeds of a week of fundraising. In the last six years this RAG week (raising and giving week) has raised over £34,000 for multiple charities. This year we have selected Diabetes UK. The charity supports our fundraising and has contributed multiple resources to assist us, such as videos and sponsorship forms.

There will be various events happening throughout the week including form decoration, Mario Kart competitions, a bake-off, a sweet stall, teacher Countdown, 'name the teddy', music performances and much more. We will again be running the Quiz & Chips evening on Thursday 17 March in the main hall, including a raffle. Please see below for full details and the booking form.

We are also hosting a fundraiser within RAG week for an alumni student who contracted West Nile Virus. Most infected cases recover without treatment, but for less than 1%, it causes neurological infections. They have been offered a private neuro-rehabilitation treatment so we are hosting a penalty shootout to raise money for this.

We encourage you to support this annual student initiative by encouraging your child to bring any small change with them to school so that they can take part in the many events throughout the week at break time and lunch time. RAG week always has a great atmosphere and we really would like as many students as possible to actively take part in an event where the whole school community comes together.

Any contributions to help make the week successful will be much appreciated, in particular prizes for the raffle. Our thanks for helping support this student-led initiative.

Yours faithfully
