Dear Parent/Carer

We hope that you and your family have had a restful and enjoyable summer break. We are looking forward to welcoming our students, old and new, in September.

Over the last eighteen months there has been significant upheaval and this will have impacted each and every one of us in a different way. At Taverham High School we want to do our best to support every student so that they have a positive experience both in and outside the classroom. Early intervention and support are what we are aiming to achieve so that we can try to prevent any further disruptions to your child's education.

If you feel that this is something that your child would benefit from, please complete the form via the link below:

[Well Being and Support Form](#)

This link will expire on 8 September. However, we are aiming to develop an online self-referral form which will be active throughout the year.

Yours faithfully

Ms R Ricketts
Deputy Headteacher
