20 September 2021

Dear Parent/Carer

As your child approaches their GCSE exams, it is important that they start to think about their post-16 destinations. To support with this, each year we invite families into school to hear about the options that young people have as well as to learn a little more about our own fantastic and high achieving Sixth Form Centre. This year, due to the current upturn in the number of Covid19 cases locally, we have decided, in order to keep our community safe, to present this information to you online through our school website and YouTube.

From tomorrow, Tuesday 21 September at 3:00 pm, you will be able to view our presentation here <https://youtu.be/FkwMuZGIXIk>.

Additionally, it will be available to watch on our website here [Forthcoming Events | Taverham High School](#).

We hope you find this event helpful and informative. You will no doubt have lots of questions following the event so please don't hesitate to contact me or Mr Linnell for further support.

Yours faithfully

Gareth Yassin
Deputy Headteacher
