Headteacher Dr Roger Harris

To: Y11 parents/carers

4 February 2022

Dear Parent/Carer

A few students have expressed confusion over the arrangements for the science mock exams after the half term break as a result of the format of the mock timetable, so I wanted to write to clarify any misunderstanding.

Separate science students (those studying for the triple award), will sit three mock exams, one chemistry, one biology and one physics:

Physics: Monday 21 February P3

Biology: Wednesday 23 February P1

Chemistry: Thursday 24 February P2

Combined science students will sit two mock exams:

Paper 1: Monday 21 February P3

Paper 2: Wednesday 23 February P1

I hope that clarifies the arrangements. Please do not hesitate to contact the school if you have any other queries.

Yours faithfully

Mr G Yassin
Deputy Headteacher
