13 September 2021

Dear Parent/Carer

### **A-level Biology/A-level Physics**

For A-level biology and/or A-level physics your child will need a text book for each subject they study. The cost of each is £20.30 to be paid via WisePay by Monday 27 September. These are essential for the course and will help your child through the course. There are no more essential books required but there will be an option to buy various revision aids that may be helpful.

16-19 bursary students may be eligible for payment via an internal department transfer, instead of paying via Wisepay. If so, please ask your child to check with the sixth form office and complete a claims form.

Yours faithfully

Mrs K Kinsley  
Second in Science Faculty and Head of Biology
