Headteacher Dr Roger Harris

To: Year 7 parents/carers

30 October 2021

Dear Parent/Carer

As you will be aware, many Year 7 students will be changing teaching groups from Monday 1 November following a period of testing last half term. This is to ensure that students are as supported as possible in their lessons.

Unfortunately, it has been brought to my attention that the timetables showing on MCAS and through Outlook are not currently showing the rooms for Monday's lessons, meaning that students do not know where to go for Period 1 lessons. My apologies for this.

If your child has the following groups/lessons showing on their timetable on MCAS, please ask them to go to the corresponding room:

7ComLMwith Ms Johnson to room F14
7EngLI with Mrs Goldspink to room E3
7GeoLG with Miss Adams to room F6
7MatRC with Mr Robinson to room G12
7MatRI with Mrs Greer to room G2
7RS-LC with Miss Birkin to room F8
7SciRM with Mr Cartwright to room S5
7MatRG with Mrs Grigg to room G5

I hope you have all enjoyed a safe and relaxing half term break and we look forward to seeing your children again from Monday.

Yours faithfully

Mr G Yassin
Deputy Headteacher
