

Politics

Syllabus
Edexcel

A really engaging course that applies to every aspect of life. Brilliant for those wanting to work in law or journalism and very flexible combination with other subjects.

Core content: democracy, electoral systems, political parties, voting behaviour, the constitution, parliament, the Prime Minister and cabinet, relations between the branches, liberalism, conservatism, socialism and feminism. The state and globalisation, global political and economic governance, human rights, the environment, power, regionalism and comparative theories.

Unit 1: UK politics / core political ideas
33.3% A-level

Unit 2: UK government / non-core political ideas
33.3% A-level

Unit 3: global politics 33.3% A-level
