Dear Parent/Carer

Some of you will remember that last year we sent out our first parent survey. Well, it's that time again where we would like to compile feedback from our key stakeholders to help us plan our strategic priorities in moving the school forward. Therefore, please could I ask you to complete a parent/carers questionnaire using the link below. We would welcome your feedback on both the positives and the not so positives in relation to the school.

The questionnaire has been reduced a little, so it should take approximately 20 minutes to complete. The questionnaire can be completed anonymously; however, it is really helpful to have a name as, sometimes, we may wish to contact you regarding a specific comment. You are welcome to complete one questionnaire for each of your children but this is for parents and carers only; students are currently completing their own questionnaires during ICT lessons.

Please follow the link below to get started:

The survey will close on Monday 27 March 2023.

Yours faithfully

Dr Roger L Harris
