Headteacher Dr Roger Harris

To: Year 11 Parents/Carers

November 2022

Dear Parent/Carer

Year 11 Parents' Evening – Thursday 24 November 2022 – 4pm to 8pm

Our Year 11 parents' evening takes place on Thursday 24 November 2022 when you will have the opportunity to discuss your child's progress and areas for improvement with their teachers. During the Covid closures we began using an online system, rather than meeting face-to-face, that many of our parents found more flexible to use.

We do appreciate that these are important conversations, especially in their GCSE year, so rather than simply communicating by e-mail or phone we are using video conferencing. The software we are using is called *SchoolCloud*, which is used by several other schools and sixth forms, to facilitate the best possible conversations about your child. We have listened to feedback from last year and made improvements to allow the blurring of the background for privacy. You can access either on a mobile phone or computer device but either will require a good internet connection.

Please click on this link: [THS: SchoolCloud booking system](#). You will be asked for some details about yourself and your child to authenticate the link. There is a help video to talk you through the process: [SchoolCloud parents evening](#)

This system allows you to select appointments for your child's teachers, on a mobile or computer. You can use camera & audio or just audio, as you prefer. If, in the unlikely event, the system does not work and you would like a follow up phone call afterwards then please e-mail the Head of Year Mrs Rebecca Hansen: r.hansen@taverhamhigh.org

I hope that you find the evening helpful and we look forward to virtually seeing you there.

Yours faithfully

Mrs R Hansen
Head of Year 11
