Dear Parent/Carer

Important Message - Measles, Chicken Pox or Shingles

We are writing to inform you that a student at Taverham High School who, due to medical treatment, has a low immune system, which puts their health at risk if exposed to **measles, chicken pox or shingles**.

Could you please inform us immediately if your child/ward is suspected of having measles or chicken pox so that we can keep the child/wards family informed so they can receive any relevant medication as quickly as possible.

If you have any further questions, please do not hesitate in contacting us via email on:
firstaid@taverhamhigh.org

Thank you for your co-operation in this matter.

Yours faithfully

Mrs S Denton
First Aid Co-ordinator
