Headteacher Dr Roger Harris

To: All Parent/Carers – Years 7-11

6 November 2023

Dear Parent/Carer

Non-Uniform Day – Friday 17 November 2023

We will be holding a non-uniform day on Friday 17 November 2023 and the money raised will be donated to the following charity which has been chosen by the Student Councils and Student Leadership Team at Taverham High School:

Movember - The charity supports mental health, suicide prevention, prostate and testicular cancer.

The Student Leadership Team are developing legacies with each member having a focus that they are leading and working on. Some of the legacies that are being developed this year include developing awareness of mental health and wellbeing, diversity and equality, developing the student voice and supporting the community. The non-uniform days that are held this year will reflect the legacy work of each area of the student leaders with a charity selected to support this.

We are asking students for a £1.00 donation for the privilege of wearing their own clothes for the day and ask that this be brought in on Friday 17 November 2023.

If your child/ward has Physical Education timetabled this day, please can they wear appropriate clothing that will enable them to participate safely so this does not affect their engagement. This includes appropriate footwear.

I would like to thank you for your continued support.

Yours faithfully

Miss R Ricketts
Deputy Headteacher
