Headteacher Dr Roger Harris

To: All Parent/Carers – Years 7-11

17 April 2024

Dear Parent/Carer

### **Non-Uniform Day – Friday 3 May 2024**

As you may know, every year we have a Prom for the Year 11 students. It is an extremely enjoyable evening as students reunite to celebrate their accomplishments having finished their time at Taverham High School, looking back on their previous years and looking forward to their future studies. The form tutors, as well as many of their subject teachers, will be there to celebrate with them. It is especially important having endured a very challenging and uncertain time over the last few years of their education.

Naturally there is a cost involved and although students pay for the event, there are many extra things to consider, for example decorations and entertainment. Furthermore, we want to support parent/carers who may find the cost prohibitive. We want to ensure that every student can attend, enjoy the evening and be part of their school community. This means that we need to raise some money to contribute towards the total costs.

We will be having a non-uniform day for the whole school on **Friday 3 May 2024** and we are recommending that students make a donation of £1.00 for the privilege of wearing their own clothes for the day, and ask that this donation be brought in on Friday 3 May 2024. The money raised will go towards the costs of the Year 11 Prom. Although this will initially benefit our current Year 11's, it will happen every year allowing every student to benefit once they reach Year 11.

I would like to thank you for your continued support.

Yours faithfully

Miss R Ricketts  
Deputy Headteacher
