Dear Parent/Carer

RAG Sixth Form Fundraising: Monday 11 March – Friday 15 March 2024

Each year sixth form students choose a charity to support, to which they donate the proceeds of a week of fundraising. In the last eight years this RAG week (raising and giving week) has raised over £40,000 for multiple charities. This year we have selected [St Martins](#), a local charity supporting the most vulnerable in our community.

There will be various events and activities happening throughout the week including a bake-off, teacher Weakest Link, a disco night, music performances, staff v student football match and much more. We will again be running the Community Quiz & Chips evening on Thursday 14 March in the main hall, including a raffle. Please see below for full details and the booking form, to be completed and returned by Friday 8 March 2024. The quiz is for all ages and open to the local community, whether or not they have children who attend the school.

We ask you to support this annual student initiative by encouraging your child/ward to bring any small change with them to school so that they can join in the many events throughout the week at break time and lunch time. RAG week always has a great atmosphere and we really would like as many students as possible to actively take part in an event where the whole school community comes together.

Any contributions to help make the week successful will be much appreciated, in particular prizes for the raffle – please leave at main reception. Our thanks for helping support this student-led initiative.

Yours faithfully
