Headteacher Dr Roger Harris

To: Year 7 Parent/Carers

15 September 2023

Dear Parent/Carer

PE Information

It has been brought to my attention that students have been bringing aerosol deodorant canisters into school. We do not permit the use of aerosols as this can affect students with asthma when changing for their PE lessons and cannot be used indoors. Students are expected to bring in roll-on deodorant as an alternative to avoid any future issues.

Some students in Year 7 have also not been using these canisters sensibly during PE lessons and therefore if students are seen with aerosol deodorant, it will be confiscated and given back at the end of the day.

I am also aware that some students have PE lessons on Monday 25 September 2023, which is the same morning as their school photographs. Please ensure that they come in wearing their school uniform on this day and not their PE kit.

Any questions or concerns, please contact me on: y.molloy@taverhamhigh.org

Yours faithfully

Miss Y Molloy
Head of Year 7
