Headteacher Dr Roger Harris

To: Year 10 Parent/Carers

7 September 2023

Dear Parent/Carer

Year 10 – Information Evening

I hope this letter finds you well and that your child/ward is refreshed after a restful summer break and ready to get going with their KS4 GCSE courses.

As always, families pay an enormous part in ensuring their child/ward's successes in education and, as so, we are holding a Year 10 Information Evening next Thursday, 14 September 2023 from 5:30 pm.

At this event I will provide information about the qualifications your child/ward will be taking, as well as what you, and they, can expect from the next two years at Taverham High School. In addition to this, Mr Linnell, our Head of Sixth Form will present briefly on our successful and popular Sixth Form Centre and be available to discuss this further after the formal presentations.

Students are more than welcome to join this event, which will be held in the main hall, and we would recommend that all parents/carers who can attend do so.

I look forward to seeing you on Thursday.

Yours faithfully

Gareth Yassin
Deputy Headteacher
