Dear Parent/Carer

Parent/Carer Maths Workshop – Thursday 3 April 2025

We are hurtling rapidly towards the Summer and the next Parent/Carer Maths workshop is upon us. This time we are going to be exploring Basic Algebra. The use of letters to represent unknown or variable values in Maths classrooms is the stuff of nightmares for some adults who never quite grasped it during their own school experience. We are here to help, and we invite you to visit Taverham High School Maths department to enjoy exploring Algebra. Whether to help your child/ward, or for your own personal satisfaction, please do feel free to join us. We will start from the absolute basics and visit some of the concepts that students are introduced to, as well as having a bit of fun!

You are welcome, and encouraged, to bring your child/ward with you. You do not need to bring any equipment with you as we will provide everything that you need for your classroom experience. The students who attend have really enjoyed having their adults in the classroom with them, using mini whiteboards and working through processes together. Some have become a little competitive with each other too!

The session will run from **4:15 pm - 5:15 pm** on **Thursday 3 April 2025** and you are invited to arrive at 4:00 pm for light refreshments first. We will meet you at Reception. If you plan to come, I would be grateful if you could click the link below and fill in the form so I know that you will be joining us. However, please don't feel that you cannot come if you have not completed the form.

Looking ahead, the date for the final session of the year is Thursday 22 May 2025 (Order of Operations – BIDMAS)

I look forward to seeing you, but please do not hesitate in emailing on: h.crane@taverhamhigh.org if you have any questions regarding the sessions.

Yours faithfully

Mrs H Crane
Deputy Lead for Maths, responsible for Key Stage 3
