To: Sixth Form Applicants

3 June 2025

Dear sixth form applicant

As the Head of Sixth Form at Taverham I am delighted to invite you to our Sixth Form induction events, a summary of which is below. Please complete the online form by Monday 10 June 2024 to let us know whether or not you will be attending: [Sixth Form Induction 2025](#)

The days are planned to give you a taster of the subjects you have applied to study in September.

If you have chosen three subjects, you will have the opportunity to sample one other that may complement your choice, which is particularly useful if you are still undecided on your pathway. Therefore over the two days you will attend one period of a lesson taster for four subjects in total. You will be issued with a personalised hard copy of your timetable to which you will be able to add your additional choice.

When you attend a subject taster you will be given a transition pack which outlines the content of the course and will include preparation that you will need to complete before starting in September. This may take the form of individual research, reading or data response exercises. Completion will allow you to have a foundation ready for the start of your A-level studies.

We will also introduce our enrichment and tutor programmes, giving you the opportunity to ask any questions you have about life at Taverham Sixth Form. In addition there will be sessions on how to prepare for the very different way of studying from next year. Information will be provided to outline the next steps on results day and in September.

On the first day, registration takes place from 8:30 am. For those new to Taverham there is a tour of the site at 8:30am. This is followed by an assembly for all students at 9:00 am in the Main Hall, with the first subject tasters at 9:35am and the day finishes at 3:00pm.

On the second day registration takes place from 8:10am followed by further subject tasters, with lunch provided by the school as part of a summer social event including current Year 12 students, finishing at 3:00pm.

I look forward to meeting you at induction and hope you find the experience useful. In the meantime, I wish you good luck in your exams. If you have any questions please do not hesitate to contact us.

Yours faithfully

Mrs L Robertson  
Head of Sixth Form
