Year 10 Parents/Carers

Dear Parent/Carer

GCSE Mathematics Revision Books

I am writing to inform you that the Mathematics department is now able to sell revision guides suitable for the GCSE course that your child/ward is currently studying for. We recognise the importance of Key Stage 4 and in order to support your child/ward with their studies, we would highly recommend owning a revision guide.

We will be selling the CGP Maths AQA Revision Guide for the Grade 9-1 course at a discounted price of £3.40. We offer a Foundation Tier or a Higher Tier revision guide and once we have received payment the appropriate revision guide will be given to your child/ward during school. This is of course, completely optional, so please do not feel any pressure to purchase one at the moment.

If you would like to order a revision guide for your child/ward, please make the online WisePay payment and your child/ward will receive the revision guide shortly thereafter during their Maths lesson. **The deadline to make payments by is Wednesday 4 June 2025.**

We would also recommend that your child/ward owns a suitable scientific calculator to ensure that they are able to access all parts of the GCSE content. We recommend the **Casio fx-83GT CW model**, which is widely available for purchase from various retailers.

Please do not hesitate in contacting me if you have any queries on b_robinson@taverhamhigh.org

Yours faithfully

Mr B Robinson
Head of KS4 Mathematics
