Dear Parent/Carer

School Announcement – Mrs Dawson

It is with great sadness that we have to inform you about the death of Mrs Dawson, our IEU coordinator following a short battle with illness.

For some of our students she will have been a familiar face, and we would encourage you to discuss this sad news with your child(ren)/ward, so you can explain in a way that feels appropriate to your family ethos. We shared this news with our students this morning and have had a room available for students throughout the day, should they require it.

We are all of course deeply affected by her death, but we will, for the sake of our students, keep school as normal as possible over the coming days, whilst allowing students the opportunity to talk if they wish to.

If you feel your child/ward will need additional support, please do not hesitate to contact the school.

All our thoughts are with the Dawson family and the whole school community sends them our most sincere sympathy and support.

Yours faithfully

Miss R Ricketts
Deputy Headteacher
