Hospitality – Year 10

Dear Parent/Carer

Re: Year 10 - Hospitality Ingredients Contribution

We are really pleased that your child/ward has chosen Hospitality and Catering as one of their GCSE options. As you may be aware students are now required to bring their own ingredients to lessons. They will be informed of what to bring in good time via the Satchel:One app.

In order to reduce overall costs to families I ask that you consider making a small voluntary contribution towards the cost of common store cupboard items for students to use during their lessons, such as spices, seasoning, baking powder etc via WisePay.

I would like to ask for a one-off nominal contribution of **£8.00 per student**, which covers their time on the course in Year 10 and Year 11 to cover these consumable sundries during lessons as well as their practical exam.

If you feel that the requested amount is not appropriate, but you are able to offer an alternative contribution, it would be gratefully received.

If you have any further questions, please do not hesitate in contacting me on:

Many thanks for your continued support.

Yours faithfully
