

7 September 2026

To: Year 11 – Parent/Carers

Dear Parent/Carer

Year 11 Next Steps Evening – Tuesday 15 September 2026

I hope this letter finds you well and that your child/ward is refreshed after a restful summer break, ready to give their best efforts to their final year of GCSEs.

Over the next few months, your child/ward will have a number of important decisions to make about their next steps, alongside considering how best to approach this crucial academic year. As always, families play an enormous part in supporting their child/ward's success in education and, as such, we are holding a **Year 11 Next Steps Evening on Tuesday 15 September 2026 at 5:30 pm**.

At this event, I will provide information about what the year ahead will look like for Year 11 students, including key dates and milestones, as well as outlining the various options available to students from September 2027. Mrs Robertson, Head of Sixth Form, will also give a brief presentation about our successful and popular Sixth Form Centre and will be available after the formal presentations to answer any questions and discuss this further.

Students are very welcome to join you at this event, which will be held in the Main Hall. We would strongly encourage all parent/carers who are able to attend to do so, as the evening will provide important information to help you support your child/ward through Year 11 as they consider their next steps.

I look forward to seeing you on 15 September.

Yours faithfully

Ms J Webb
Assistant Headteacher
