Headteacher Dr Roger Harris

November 2022

To: Parents/Carers

Dear Parent/Carer

GCSE Science Revision Guides

As a school we are privileged to be able to offer the opportunity for your child to purchase CGP GCSE Science revision guides and workbooks for Biology, Chemistry and Physics at a significant discount from the publisher's price (up to 40% off).

We believe these workbooks greatly benefit students in preparation for their exams, in addition to supporting them throughout the teaching of the course. They contain comprehensive revision notes and exam style questions (with answers).

If your child would like to buy a set of workbooks these are available for purchase through the Wisepay system. Once payment has been received, I will ensure that your child is given the books during their next Science lesson.

The cost of the workbooks are:

£12.40 (RRP £17.99) for students studying combined science (in M, L and G classes)

£18.75 (RRP £32.97) for students taking separate science (in I classes)

Any questions please do not hesitate to contact me.

Yours faithfully

Mr Matthew Hart

Head of Science Faculty
