

What is Pupil Premium?

Pupil Premium is additional funding received by schools for each student from Disadvantaged families

Its purpose is to ensure these students make the same progress and have access to the same opportunities as other students.

It is the school's decision as to how this money is best spent.

It is allocated to schools based on the following criteria:

- Number of children who are currently known to be eligible for Free School Meals (whether the students choose to take the meal or not).
- Students who have been eligible for Free School Meals at any point in the last 6 years.
- Looked after children who are in care for more than 6 months.
- Children of service personnel.
