

Taverham High Careers Programme

Our programme offers all students from Year 7 to Year 13 the opportunity to engage in careers learning and activities which will inform, inspire and help to develop key transferable skills to ensure a smooth transition from school into their chosen career pathway. For Years 7-11 Future Pathways is delivered during Personal Development lessons.

Year 7	Autumn Term: Future Pathways Attributes for Success <ol style="list-style-type: none">1. Why study Personal Development2. Leadership3. Organisation4. Resilience5. Initiative6.
