

CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

OPPORTUNITIES

Williams Racing have opened their 2024 work experience placements for those in Years 10-13. "Our work experience weeks are designed to provide an insight into the diverse range of skills and occupations required by an F1 team to produce a racing car. This programme is ideal to help you make the right career, apprenticeship and/or future subject choices." Read more and apply here.

The Brown Girl League are Introducing our In Conversation With series which aims to create a safe space to engage with inspiring speakers, fostering an environment where you can ask the questions closest to your heart - questions that might have felt daunting to voice in other settings. Register your interest here and each conversation in the series will be sent to you.

What do town planners do and where do they work? Planners organise, design and make decisions on where new homes, roads, schools, shops and all the other things we need to live and work should be built. At the same time, town planners try to make towns, cities and the countryside attractive, safe and environment friendly. Check out the Planning Your World website for what you could change if you choose a career in planning.

Are you dreaming of being a Pilot in the future? The new TUI Pilot Cadet Programme looks amazing! You can't apply until you're 18 but it's definitely worth knowing about for the future if this is an industry you're considering.

Do you love playing sports? In this NEW series from the RAF called Find Your Force podcast we discover what career routes you can take if you have a love for sports including: Football, Rugby, Swimming, Gaming and more. Listen here.
