Message from Head of Sixth Form

“It has been a busy half-term in the Sixth Form but we are very proud that Year 12s have settled into their sixth form courses after some initial changes and we welcomed some late applicants. Year 13 have been focused on destinations for after sixth form and in particular this half-term on UCAS university applications. There have been some brilliant applications and we wish them all the best in the coming months as they receive offers.

Most importantly, after a hard term of mock exams and work, we wish all sixth formers a restful and pleasant Christmas holiday”.

Mr Linnell – Head of Sixth Form

Year 13 Mock Exams 2022

A big congratulations to Year 13 who completed proper mock exams in the exams hall for the first time at the start of December. Being a year group who missed out on formally sitting their GCSEs in the hall and having mock exams class based last year following Covid restrictions, they have finally had the opportunity to experience proper exam routines to prepare them for next summer. The students were hard working and well prepared and all deserve congratulations in the way they approached this experience. Best wishes to all with their results.

UCAS

Offers

Well done to students who have received UCAS offers this half-term, some with reduced grades and other incentives.

London trip to raise aspirations

On Tuesday 13 December students had a legal tour of the Royal Courts of Justice, learning about the buildings, famous cases and how the CJS works. Students also had the opportunity to sit in the public gallery and watch real Appeal cases in the Justice court as well as seeing law in action at the Old Bailey. Students particularly enjoyed seeing a real jury, a witness and the cross-examination from the prosecution and defence teams. Really interesting cases including murder, arms deals, drug dealing, gang offences and more.

Looking forward to running the trip again next year!

Application Form Sixth Form Entry September 2023
Please ensure that all sections are completed
(if preferred, you can apply online via help you choose <http://tdh.youchoose.org>)

Section 1: Applicant details			
Forename	Surname		
Gender	DOB	Age on 01/09/2023	T10 only *Year group
Address

School telephone number			
School email			

Year 11 applications for 2023

Thank you to the 152 Year 11 students who have applied for Sixth Form next year. We have been conducting individual interviews with the applicants this half-term and are really encouraged about how informed the students are about the next stage in their education. They have conducted some great research and visited a range of providers to ensure they have selected courses appropriate to their interests and career goals. Well done to all, and we look forward to welcoming you to our induction days on 29/30 June 2023.
