## Message from Head of Sixth Form

*“A very rapid half-term with additional bank holidays and the start of external examinations. At Sixth Form we have crammed in mock exams and work experience, a colour fun run and started UCAS 2024 entries. Students have been working hard throughout and we look forward to seeing the rewards of our Year 13s in the summer, as well as celebrating completion of their studies at the prom.*

*Next half term the focus moves onto the Year 12s and their destinations as well as welcoming our newly enrolled Year 11s following their examinations at our Induction Days. The whole team at Sixth Form wishes all Year 11s and 13s the best of luck in their exams”.*

*Mr Linnell – Head of Sixth Form*

## A BIG THANK YOU

We are so thrilled that after the huge efforts in the Spring RAG week combined with our Colour Run has raised an incredible **£4689** on behalf of the East Anglian Air Ambulance (EAAA). This was held at Langley School and over 200 Taverham and Langley students took part in the junior and main races.

## WORK Experience

Congratulations to all the Year 12s on completing their work experience w/c 15 May, at places ranging from engineering firms to architects. Great reports from employers on your contribution and good luck to those who have scheduled additional placements later in the year, as far afield as the House of Commons.

We hope you learnt a lot about the next stages in your journey to help secure your long term destinations.

## Terrence HIGGINS TRUST TOGETHER WE CAN

### Terrence Higgins Trust

On 24 April, Year 12 had a really relevant talk from the Terrence Higgins Trust, the largest voluntary sector provider of HIV and sexual health services in the UK. This fits alongside the Character & Culture lesson focus on respectful and intimate relationships.
