## Message from Head of Sixth Form

*“We are very proud of last year's cohort receiving fantastic results in their summer results and we wish all former students all the best in their new destinations.*

*As one chapter closes another began this half-term with a record number of new Year 12 students joining us. They have made a great start and are adapting to a new way of working. The new Year 13 are focused on destinations for themselves next year and*

*the UCAS round is well under way this half term.*

*A busy first half-term is now at an end, and we hope all THS Sixth Form students have had a good break over the half-term to return refreshed for the studies before Christmas”.*

*Mr Linnell – Head of Sixth Form*

## Applications open

We were really pleased to see a record size cohort of Year 12 students joining us this September for their A Level studies.

Following Sixth Form Open Evening on 28 September we have started to receive applications for 2024 and have already begun interviews to offer places to those who have formally applied.

We encourage all Year 11s to apply over the next half term so we can timetable and guarantee subject choices.

Applications received after 20 December may find subject choices restricted by the finalised timetable.

*“Teachers provide tailored and individualised guidance that support sixth form students to achieve well.”*

Taverham Sixth Form  
One vision. Our passion. Your future.
