All sixth form students and parents/carers are required to agree to the Sixth Form Code of Conduct which can be accessed by following the link below:

[Sixth Form Code of Conduct 2026 – Fill in form](#)

Welcome to Taverham Sixth Form

Joining the sixth form is a voluntary act by students and we welcome the fact that students want to extend their education by so doing. We try to recognise this by treating students as young adults wherever possible and by offering a greater range of privileges than students in Years 7-11. These include:

- use of a dedicated sixth form study centre – a resource centre for virtual learning resources including subject reviews and other journals
- use of a dedicated sixth form common room including a mini kitchen and vending machines
- a less formal dress code than lower school
- independent study time and enrichment timetabled within the school day
- home study arrangements (dependent on satisfactory progress/behaviour/attendance)
- a host of opportunities for involvement as senior students in leadership roles as well as in charity and social events, such as RAG week
- leaving the school site during lunch time

However, by joining the sixth form and becoming senior students of the school, students must also accept a greater responsibility than students in Years 7-11. Most importantly, sixth form students are responsible for their own learning and are always therefore expected to behave in a mature way.

Attendance / Home Study

An academic timetable is given to students in September of each year, detailing their chosen course of study. In addition to these timetabled lessons, all non-contact sessions are for private study to ensure students have adequate time to complete directed study, wider reading and revision. During these periods students are expected to work independently in the sixth form study centre.

In line with the Sixth Form Funding Agreement we reserve the right to charge for examinations and resits if student attendance falls below 90%.

Year 12

Year 12 students are required to register electronically (parent/carer consent required (please see the [Biometrics Policy](#) on the school website) every morning and attend form time every afternoon. Students are required to be on-site from 8:30 am – 3:00 pm every day (and for any timetabled P6 classes until 4:00 pm). This is to ensure they adopt a good work ethic over a settling-in period, allowing us to gauge the progress they are making and that their subject choices suit them.

There is one lesson of enrichment and one lesson of character & culture each week, recorded on the timetable. Attendance is **compulsory**. Please see the [enrichment programme](#) on the school website for further details, including the options available for students to choose from.

A progress, behaviour and attendance review is undertaken in November and January. If satisfactory, Year 12 students may choose to take up to three blocks of home study time per fortnight to work at home. This is recorded on their timetables. They are not expected to attend morning registration if they have home study P1 P2. Attendance at afternoon form time remains compulsory. However, this privilege will be withdrawn if a student is not keeping up with set work or deadlines, or if their attendance is unsatisfactory.

Year 13

Year 13 students are also required to register electronically every morning and attend form time in the afternoon. Following a satisfactory progress, behaviour and attendance review in September, from October they may choose to take up to four blocks of home study time per fortnight to work at home. This is recorded on their timetables. They are not expected to attend morning registration if they have home study P1 P2. Attendance at afternoon form time remains compulsory. However, this privilege will be withdrawn if a student is not keeping up with set work or deadlines, or if their attendance is unsatisfactory.

There is one lesson of character & culture each week, recorded on the timetable. Attendance is **compulsory**.

Sixth Form Code of Conduct

Students at Taverham Sixth Form should aspire to be role models for the school, in terms of attendance, behaviour, commitment to learning and involvement in the school community. All staff at Taverham High School wish students to complete their study programmes successfully and expect that all students act appropriately to achieve this outcome. Therefore all students are required to agree to the Code of Conduct outlined below. Failure to do so could result in disciplinary action, including lunchtime and after school detentions.

You are expected to:

Take responsibility for your own learning by:

- completing all class and directed study set by teaching staff, submitting work to deadlines, and by catching up on any work through absence
- completing adequate independent study for each subject taken (1 hour for every hour of class study)
- arriving for registration and all timetabled sessions on time
- attending classes promptly and regularly, keeping absences to a minimum
- informing your tutor and subject teachers if you experience any difficulties, or if there are reasons why you may not be able to complete work, and, if necessary, seeking help from them
- accepting that examination entry is conditional upon regular attendance and satisfactory completion of class and directed study
- accepting that you could be asked to leave the sixth form at any time if attendance falls below 90%
- accepting that entry to Year 13 is conditional on having achieved adequate progress in all subjects studied
- accepting that entry to Year 13 is conditional on having an attendance record of at least 90%

Show respect for other people by:

- conducting yourself in accordance with all relevant school policies, including the mobile phone policy and use of ICT
- not physically or verbally abusing anyone in the sixth form or school
- not hindering the work of any other member of the sixth form or school
- not bringing or encouraging strangers on-site

Take responsibility for your health and safety and that of others by:

- following safety rules and fire drill procedures
- not bringing or using alcohol or illegal substances on site, or coming on site under the influence of alcohol or illegal substances
- not bringing anything on site which could be used as an offensive weapon
- not smoking or vaping anywhere on site
- returning consent forms with parental signatures and emergency contact numbers by the deadline
- behave appropriately on all educational visits and on public transport
- if you have a vehicle, completing the parking permit application form and driving safely in accordance with the speed limit on the school site

Respect the building and premises by:

- treating all school property with respect by not defacing or vandalising any of the buildings or decoration
- dressing appropriately so as not to cause offence to any member of the school
- recognising the common room as a place of relaxation and of study, and acting appropriately

The following acts will lead to immediate investigation by senior leadership and possible permanent exclusion:

Bringing or inviting strangers on site; illegal acts including violence, vandalism, use of illegal substances; possession of offensive weapons; racist behaviour or racial harassment; sexist behaviour and sexual harassment of all kinds.

Arrival / Departure

When arriving or departing the school site students **must sign in and out electronically**. This includes students coming in or leaving for their timetabled home study, leaving or returning for medical appointments, driving lessons, illness etc. Except for home study, when leaving/returning to site during the school day they must also record the reason using the sign in/sign out book by the sixth form office. This is essential for health and safety reasons. Attendance marks (which differ from lower school) for sixth form AM registration are as follows:

Arrival in class/study centre on or before 8:30am = present (/)

Arrival 8:31 to 8:35 = late (L)

Arrival 8:36 to 8:45 = late after registration closed (U)

Arrival after 8:45 = unauthorised absent (O)

Should students arrive late to three or more timetabled lessons in a week, as in lower school a 60 minute after school detention will apply. Should students incur three or more unauthorised absent marks (U and/or O) in a week, a L3/60 minute after school detention will apply. Should there be three consecutive attendance detentions it will be escalated to L4/90 minutes.

If a student has not registered in the morning, an SMS text message is sent in the first instance to Contact 1 on the student database, to which we ask for a prompt response.

Absence Procedure

Planned absence

For planned absence from school, parents/carers need to inform the sixth form office. Students should inform their form tutor as well as the teachers whose lessons they will miss.

University open days, interviews (university/employment) and driving practical tests are considered as authorised absence. Driving theory tests should be booked during non-timetabled sessions, otherwise they will be recorded as unauthorised absence. Students are expected to arrange routine medical appointments to avoid clashing with lessons. Driving lessons are not permitted during timetabled classes or form time. One driving lesson per week can be taken during non-contact time. The sixth form office must be advised ahead of any planned driving lessons and medical appointments.

Unplanned absence

For unplanned absence, such as illness or emergency medical appointments, parents/carers need to inform the sixth form office by 8:30am of the reason for absence, using the direct line 01603 861758 or email 6thform@taverhamhigh.org. An answerphone is available for a message to be left outside school hours.

Where no confirmation for absence has been given by parents/carers, the absence will be recorded as unauthorised.

Absences for illness

In most cases, absences for illness which are reported following the absence reporting procedures (outlined above) will be authorised without the need for parents/carers to supply medical evidence. Whilst self-certification is accepted for short, isolated illness, the Sixth Form will **not automatically authorise** repeated or prolonged absences. Formal medical evidence will be required if a student:

- is absent due to illness for more than **three consecutive school days**
- accumulates **three separate episodes** of illness within a single half-term
- falls below an overall attendance threshold of 90% due to health-related claims

Acceptable evidence

Medical evidence includes a doctor's note, a hospital appointment letter, a copy of a current prescription, or a signed medical certificate. The school reserves the right to record as unauthorised any illness-related absence if satisfactory evidence is requested but not provided.

If a student's attendance drops below **90%**, or when a pattern of recurrent illness emerges, the Head of Sixth Form will organise a welfare meeting with the student and their parents/carers and an inclusion form will be completed.

The government has produced guidance on common illnesses and whether children should go in to school which can be accessed here:

[Is my child too ill for school? - NHS](#)

Leave of absence / holidays

Students are expected not to take holidays during term-time. In cases where this is unavoidable, parents/carers need to complete the leave of absence form on the website: [Leave of absence](#). Please note that such authorisation is rarely given. It is the responsibility of a student to catch up on work missed during any absence, including any new tasks set, within a fortnight of their return.

Post 16 Bursary Fund

Sixth form students can apply for financial assistance, dependent on household income, to support them in overcoming individual financial barriers to participation in education.

A bursary is money that students can use to pay for things like:

- clothing, books and equipment relevant to the course
- transport on days of study
- cost of attendance on field trips if they are a compulsory part of the curriculum

Please see the bursary policy on the [school website](#) for full details including eligibility criteria and how to apply.

Mobile Device Usage

Sixth formers are treated and expected to behave as young adults to prepare them for the work environment post-16 or after university or further training. As such they are allowed to retain their phones/headphones/tablets/MP3 players for use in sixth form areas such as the study centre, common room and in the sixth form corridor but **not** around the wider school buildings, such as in classrooms, the main corridors or internal and external communal areas, including the field.

As in many working environments, we ask that sixth formers do not have headphones on or phones out whilst travelling around the school buildings or in lessons as this helps reduce accidents, improve focus in lessons and demonstrates role model behaviour to the lower school year groups.

Sixth formers are subject to the same sanctions as lower school students if they continue to use their phones and/or headphones around the school buildings. For a first offence, the phone/headphones will be confiscated and held in reception until 3pm. For a second offence a parent will need to collect, or it will be returned to the student after 5 days. Subsequent offences will result in an after-school detention.

Appearance

There is no uniform requirement for sixth form students, apart from the sixth form lanyard visible at all times around their neck. However, we make it very clear to our students from the outset that we are a sixth form within a school and consequently have a dress code which needs to set an example to the lower school. We therefore have high expectations of our students in respect of their presentation and appearance. The dress code for Sixth Form is therefore one of a 'modern workplace' and students should wear appropriate smart/casual clothing. We understand and respect that students wish to retain their individuality and to have greater freedom compared to their time at high school, but at Sixth Form we believe this is a serious place of learning and should always look and feel professional.

The following is considered appropriate dress:

- clearly displayed ID badges around the neck
- smart jeans, tailored trousers, knee length shorts
- skirts, dresses (no shorter than mid-thigh)
- tights
- jackets
- jumper/hoodie/sweatshirt
- comfortable sensible footwear
- subtle sensible makeup

We want our students to have freedom of expression but do not expect inappropriate items such as:

- short skirts/dresses/shorts that are above mid-thigh
- low cut tops; crop tops; backless tops
- headgear worn indoors such as hats, hoodies and caps
- beach wear – board shorts, flip flops, beach sandals
- coats worn in lessons (unless by the permission of a teacher)
- extreme makeup
- clothing bearing extreme slogans or symbols which may cause offence to others by wording/logo
- fishnet tights
- clothing considered by staff to be a health and safety risk (in specific subjects)

Making the Most of Sixth Form

In taking a place in the sixth form, students undertake three fundamental commitments to the school:

- a) to attend all lessons
- b) to complete set work by a deadline
- c) to contribute to the school community through involvement in leadership activities, charity weeks and other enrichment opportunities

If a student consistently fails to fulfil these commitments without good reason, they may be asked to leave.

To make the most of lesson time, we expect all students to:

- arrive promptly for lessons
- bring the correct textbooks, files and other relevant equipment
- ensure files are correctly organised
- be equipped with all necessary stationery
- quickly clear bags/coats and be ready to start
- contribute positively and willingly to discussion and other activities
- listen to the opinions of others with respect and courtesy
- ensure all work is handed in on time

Food / Drink

Sixth form students may use the canteen area and sixth form common room to consume food. No food or drink is allowed in the study centre, other than water, outside of break and lunch time. Students need to ensure that they respect these areas, ensuring rubbish is put in the bins provided and the kitchen area kept clean and tidy. Students may go off-site during lunch time but must sign in and out electronically for health and safety purposes. Smoking/vaping is not permitted anywhere on the school site or within view of any aspect of the school boundary. Students are not permitted to drink alcohol at any time of the school day, including lunch time, whether on or off site.

Paid Work

Whilst the sixth form recognise the benefits of students gaining experience through paid employment, students must ensure their work hours do not interfere with their schoolwork.

- never schedule work hours during school time (8:30am – 4pm)
- limit work during the school week
- overall weekly hours should never exceed nine hours

If students feel they are being pressurised to work over the recommended hours they should see the sixth form team for support. Additionally, they may be eligible for the post-16 bursary.

Transport / Parking

Norfolk County Council run a post 16 travel scheme – please refer to their [website](#) for details.

First Bus run buses 28/29/X29 from the city centre through Drayton and Thorpe Marriott to Taverham. Please check their website for details: [First Bus](#)

Queens Hill Bus

The school runs transport from Queen's Hill, currently £4.00 per day. For availability please contact the main office: reception@taverhamhigh.org.

Please note students with P6 timetabled classes will need to make alternative arrangements on the days they are in school until 4pm, and the cost will be amended accordingly.

The following timetable gives pick-up points and approximate times. However, please be aware there may be minor alterations of bus stops and/or timings which will be notified directly to parent/carers. Please be aware that the bus stops listed are not official bus stops and therefore buses cannot wait for students to arrive. To ensure students arrive at school on time, they must be at the bus stop promptly. We suggest they arrive at least 10 minutes before the departure time to allow for variable traffic patterns. The bus stops are as follows:

Arrives at school at 08:10 and departs at 15:10 - timetable below as of July 2026

AM departure	Bus stop	PM arrival
07:40	Queen's Hill primary school	15:58
07:45	Sir Alfred Munnings Way	15:54
07:48	Sainsburys (next side of the road)	15:42
07:50	Roundwell Medical Centre, Dereham Road	15:35
07:55	Cherry Tree pub on Dereham Road	15:30

If students cycle to school, their bicycle must be in a roadworthy condition, fitted with lights and the school strongly supports the wearing of helmets. For students' safety the permission to cycle may be withdrawn if it is found that your child's bicycle is badly maintained, ridden dangerously or they are not wearing a helmet. Bicycles are kept in the bicycle sheds. Students should provide their own locks and must ensure that their bicycles are locked while on school premises. If they arrive at school late or need to leave during the day, they will need to see reception to access the bicycle shed.

Sixth form students must park in the area by the Pavilion or in the designated motorcycle bays. They must first register for a parking permit, including mopeds/motorbikes, available from the sixth form office. This privilege will be removed should they not follow the rules governing the use of transport on school property.

WisePay

The school only accepts online payments through WisePay (accessed via the link on the [school website](#)) for school trips, book purchases etc. Once fully enrolled at THS Sixth Form, the parent/carer of students new to THS will receive further details including the username and password.

Policies/Consent Requirements

Please follow the link below to agree to the Sixth Form Code of Conduct, which both parent/carer and student are required to complete:

[Sixth Form Code of Conduct 2026 – Fill in form](#)

Full details of all THS policies referred to are available on the [THS website](#)

Photo/Video Consent

All Year 12, as they are over 16, are asked to complete the photograph/video consent, even if previously given whilst in Years 7-11. During a student's time at Taverham Sixth Form we will take photos of them to use on our management information system; videos and photos are sometimes taken of students to improve performance and support student learning (i.e. drama and PE). The lawful basis on which we use this information is under articles 6(1)(C) – Legal Obligations and 9(2)(g) – public interest. We do this under articles 6(1)(C) Legal Obligations and 9(2)(g) Public Interest.

1. Photo or video can be taken and used for celebration or awards evenings, school activities, internal displays and open evenings consent

With permission we may use these photos on:

- display boards around school

With permission these videos and photos are:

- shown to parents/carers and the community during celebration events
- shown to parents/carers and the community during open evenings
- shown to students in school activities

2. Photo or video can be used in school website, social media and school prospectus consent

With permission we may:

- use these videos and other photos on the school website
- use these videos and other photos on school social media – Twitter/X and Instagram

With permission we may:

- use these videos and other photos in the school's prospectus which is visible through the school website, on school social media – Twitter/X, and given out as a hard copy in school.

MyChildAtSchool

[MyChildAtSchool \(MCAS\)](#) is the portal enabling parents and carers to view their child's academic performance in real-time via a web browser.

This facility allows exclusive access to attendance, behaviour, reports, school and exam timetables, as well as contact information kept by the school. By being able to access this information parents and carers can support their child throughout their time in the sixth form and to join the school in encouraging regular attendance, good behaviour and achievement.

For existing students, once enrolled at THS Sixth Form, access to this will continue as previously. Parents/carers of new students will be contacted with login details once the account has been set up.

Students have access to the Student Portal allowing them to view their timetables, attendance and behaviour.

Contribution to Sixth Form Resources

We ask parents and carers to make a single donation of £10 via WisePay at the start of sixth form to cover the use of sixth form resources and curricular activity, as well as other occasional costs such as insurance cover for extracurricular activities. This payment covers the time that students are in the sixth form.

Privacy Notice

For details of how we use student information please see the school website: [Privacy Notice](#)

Directed/Independent Study Activities for Sixth Form

Lessons are only half of the learning time for post 16 courses. A large part must be undertaken by a student independently. Sixth form students are expected by exam boards to complete a minimum of **one hour out of class for every hour in class** of either directed or independent study. That is **at least 27 hours** per fortnight or 13.5 hours a week (4.5 hours per subject per week). This should be the same in all Sixth Form colleges.

The big difference from GCSE is that you are expected to do more independent study outside the classroom and are given time as study periods, resources such as the Sixth Form Library and spaces such as the Study Centre and Common Room for this at school. All non-timetabled sessions are for independent study.

If you are working hard and on track you will also be eligible for some of this time at home as Home Study after the first half-term. As young adults it is important that you have more autonomy over what work you need to practice or focus on. Teachers will set **2 hours a week** per subject of directed study – tasks that are checked and/or marked to a deadline.

This means that, as in GCSE, work that is formally required is set as **directed study** and in addition guidance is provided on subject specific **independent study**. You can follow these or complete other relevant activities that you feel will help you the most.

You choose how to study and what works best for you, but to support you, in the first term of Year 12, teachers will direct the majority of your independent study to help you develop this new way of working.

Directed Study

Subjects will set at least one assignment a week totally **2 hours**, whether preparation, research or practice/essays. The nature of the work set is dependent on the subject.

All directed study that is set and to be handed in should be set on [Satchel:one](#) (as homework was at GCSE) so you can check and know the deadline to organise your time. This work should be prioritised and will be checked and/or marked or given feedback by the teacher as appropriate to the task set. This work can be completed at home or in allocated study periods.

Independent Study

To support independent study you will be taught techniques in tutor time at the start of Year 12 and you will be provided with some direction on independent learning in the first term of Year 12 to prepare you to make the choice of what you need to work on whether **preparation, consolidation** or **reflection** tasks.

You are expected to undertake independent study in the Sixth Form Study Centre.

Some subjects provide study time **workbooks** for students to work through or will indicate good reading or preparation at a particular time. This work is checked through **folder checks** and **subject mentoring**, so will not be marked and graded in the same way. For students in the first term of Year 12 it will be set as a 'flexible task' on *Satchel:one* and as you progress you will be given more and more freedom to choose what to study.

FAQ

Do I need to do anything after getting my GCSE results on results day?

If you have met the entry requirements for sixth form and your courses, you will receive an enrolment email from Applica – simply follow the instructions on there to enrol on your courses. If you did not quite meet the entry requirements, you will be asked to speak to one of the sixth form team when you pick up your results to discuss your options.

What should I do if there are changes to the subjects I have chosen for sixth form?

You will need to see the sixth form team to discuss your revised subject choice/s. Please ensure you are aware of the entry criteria for the subject you wish to change to:

[sixth form-join us-prospectus and applications-sixth form entry requirements](#)

What happens if I do not have the entry requirements to do my chosen subject/s?

You will need to see the sixth form team who can discuss:

- alternative subjects that you may be able to do if you did not achieve a subject specific entry requirement but did meet our generic entry requirements
- alternative provision if you did not meet our minimum entry requirements to study A-levels at THS (6 GCSEs at Grade 4 or above, including maths and English plus subject specific requirements).

Who can I contact if I have any questions over the summer?

If you have any concerns, queries or questions over the summer email 6thform@taverhamhigh.org. This account will be checked regularly over the summer.

What do I need to bring for sixth form?

You need to make sure you are prepared and properly equipped for your lessons. It is recommended to have one folder per subject teacher (particularly if you have more than one teacher per subject) along with dividers to keep your work organised. Your teachers will do regular folder checks to make sure you are on top of your organisation! If you are required to have any subject specific books or equipment, your teacher will have either mentioned this during the induction session or during your first lesson.

Please ensure you have completed and have ready for your first lesson any September preparation required for your subjects. Details can be found on the website: [sixth form-learning-preparation materials](#).

Are there any lockers available for sixth form?

There are lockers available to use, subject to availability, outside the sixth form common room, for which a non-refundable payment of £5 is required, payable via WisePay (available from 1 September). If a locker is required please let us know via the Sixth Form Code of Conduct agreement.

Am I able to change subjects?

If you want to change your subject after enrolment you must first discuss this and any issues with the subject teacher. If, after this discussion, you still wish to change course you need to complete a change of subject form from the sixth form office. When complete, the form must be returned to the sixth form office and a revised timetable will be issued. Any subject changes should be made as soon as possible so that work is not missed. The deadline for any subject changes is October half term.

Would I be able to drop down from four A-levels to three?

If, after a try, those taking four A-levels are struggling with the workload, it is possible to drop down to three A-levels. To do this you need to complete a change of subject form from the sixth form office. When complete, the form must be returned to the sixth form office and a revised timetable will be issued.

What are the guidelines regarding part-time jobs alongside sixth form?

Having a part-time job can help to develop your interpersonal and time management skills as well as enhance any higher education application. However, it has been statistically proven that working more than nine hours a week does have a detrimental effect on sixth form studies and performance. Therefore, it is our strong advice that students who do have a part-time job should work no more than nine hours per week.

When will I need to be at school?

For the first term you will need to be at school between 8:25am and 3:00pm and for every timetabled P6 lesson (until 4:00pm). If you are making satisfactory progress, have demonstrated a positive attitude to learning and attendance is satisfactory, Year 12 students will be able to take three periods of home study per fortnight from November; Year 13 students will be able to take four periods of home study per fortnight from October.

Key Dates 2026-2027

Listed below are some of the key dates you should be aware of (subject to change). Full details of events will be forwarded nearer the time as appropriate:

Thursday 3 September	Y12 return to school
Friday 4 September	Y13 return to school
Thursday 17 September	Y12 welcome evening for parents/carers
Monday to Wednesday 14 to 16 September	Y13 retake mocks
Friday 23 October to Friday 30 October	Half term
Monday 2 November	Return to school
Thursday 5 November	Y13 parents' evening
Monday 14 December	Tracking Point 1 published
Friday 18 December	Early finish 1pm for Christmas break
Tuesday 5 January	Return to school
w/c 11 January	Y13 mock exams
Monday 15 February to Friday 19 February	Half term
Monday 22 February	Return to school
Monday 1 March	Tracking point 2 Y13 published
Monday 1 March to Friday 5 March	RAG week
Monday 8 March	Y13 panoramic photograph
Thursday 11 March	Y12 parents' evening
Monday 22 March	Tracking point 2 Y12 published
Monday 29 March to Monday 12 April	Easter break
Tuesday 13 April	Return to school
w/c 26 April	Y12 mock exams
w/c 3 May	Y12 work experience week
Friday 28 May	Tracking point 3 Y12 published
Monday 31 May to Friday 4 June	Half term
Friday 2 July	Sports Day
Monday 12 July	Y12 Pathways Day
Wednesday 21 July	Early finish 1pm for summer break
Thursday 12 August	A level results day
Thursday 19 August	GCSE results day

Enjoy your summer holiday and we look forward to welcoming you in September.

See you on results day!
