# TIMETABLED PROGRAMME

Taverham Sixth Form  
One vision. Our passion. Your future.

- *Extended Project Qualification\** – develop a project on any topic you like to gain an accredited qualification
- *Core Mathematics* – designed to develop real-life mathematical skills, supporting other subjects such as geography, business, economics and psychology
- *Film Club* – watch and critique different directors, genres and time periods
- *Grub on a Grant* – cooking skills and meal preparation for when you leave home
- *Health and Well-being* – a sports and exercise opportunity to have a go at familiar, as well as more obscure, sports to improve health and well-being during your studies. Trips out for external activities will entail costs.
- *MFL* – an opportunity to develop European cultural awareness and language skills

# COMMUNITY BASED PROJECTS

Taverham Sixth Form  
One vision. Our passion. Your future.

- *Classroom Support* – support a subject/subjects of your choice in lower school classes; Y11 revision support
- *Paired Reading* - listening to a KS3 student (usually Y7/Y8 who needs a little bit more support), read once a week. You will help to ignite an enjoyment of reading and is a great opportunity to act as a mentor to lower school students and make a real difference.
- *Lunchtime Club* – setting up and running a lunchtime club for lower school students in an area of personal interest
- *Community Support* – volunteering opportunities with Norfolk Museums Service, local care homes and local community groups
- *Gold Duke of Edinburgh Award* – a long term project involving helping the community/environment, becoming fitter, planning and completing an expedition and team working on a residential activity
- Independently organised volunteering – e.g. wildlife opportunities

The enrichment offer is flexible to suit all students - you get out what you put in!
