

A-Level Geography

You have already had access to induction material, completing tasks for the July induction day. In addition the following need to be completed over the summer and brought with you in September.

Task One: Changing Places topic

Create a personal geography map of your own area - include photographs, personal reflections and places of importance, sketches, words, phrases etc.

Task Two: Natural Hazards topic

Coronavirus and disaster response

- Research examples of natural hazards that occurred during the coronavirus crisis e.g. cyclone Amphan, earthquakes in Turkey and New Zealand
- Can you explain how coronavirus would complicate the disaster emergency response? Would it be as effective?
- How do you think coronavirus will affect strategies to prepare and prevent future disasters?

Have a good summer and we look forward to seeing you in September
