

A-Level History

You have already had access to induction material, completing tasks for the July induction day. In addition the following need to be completed over the summer and brought with you in September.

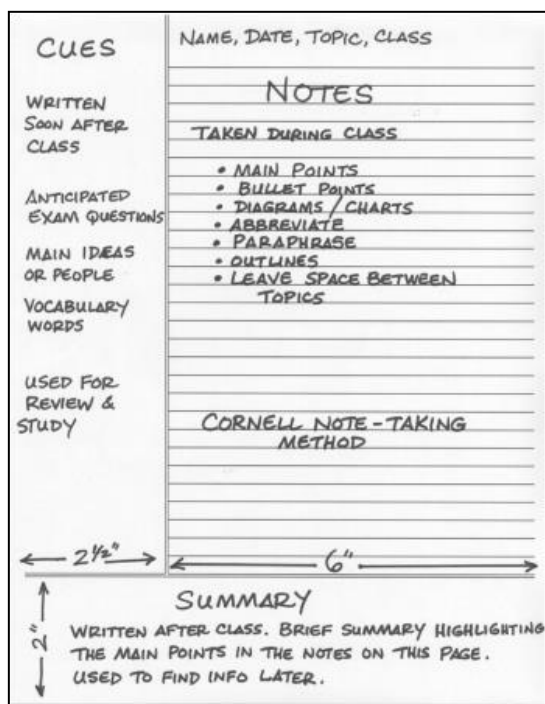

Introduction to the Tudors 1485-1603 & Weimar and Nazi Germany 1918-1945

Task One

Make notes on the War of the Roses from the following audio Radio 4 programme *In Our Time: The War of the Roses*: <http://www.bbc.co.uk/programmes/p00546sp>

Try using this method:

The Cornell Note

<http://lsc.cornell.edu/study-skills/cornell-note-taking-system/>

One you may be familiar with from GCSE. A very structured form of note taking with a clear page layout, all the main notes from class go in the main note taking section, the small left hand column is for main topics or questions, and the section at the bottom allows you to summarise your learning.

Pros

- a quick way to organise and review notes
- very systematic
- cuts down reviewing time

Cons

- requires preparation beforehand

Task Two

Create an explanation of the impact of WWI on Germany from 1914-1918 (two A4 sides approx). This task is to test your research skills and literacy. Consider the Home Front in Germany from a political, economic and social perspective and, in the wake of Covid-19, also find out about the impact of Spanish Flu on Germany in 1918.

Have a good summer and we look forward to seeing you in September
